About Us

At My Preferred Insurance & HomeSolutions, we believe strongly in giving back to our communities. With that in mind, we present the three-day Shindig Charity Music Festival annually during the first weekend in August. It's a way for us to bring friends and neighbors together to enjoy local and regional bands for a weekend celebration.

Your partnership commitment is a vital part of our ability to help our community thrive.

To date, we have given more than \$100,000 to local charities!

In 2026, our spotlight beneficiary of the Shindig is Legacy Fitness in Butler, PA. Legacy Fitness offers a variety of fitness programs including the Rock Steady Boxing program for people with Parkinson's Disease. The program gives it's participants renewed hope in their journey toward better health and well-being, with a curriculum that is recognized by the Parkinson's Foundation as an Accredited Exercise Education Program.

“ Rock Steady has both physical and emotional benefits for those who live with Parkinson's. It improves coordination, agility and stability as well as releases endorphins for happiness and relaxation. These fighters come here looking for help, but what they find is hope. ”

– Katie Werner, Owner, Legacy Fitness, Rock Steady Coach

But giving back to our communities doesn't end with the Shindig. We hold smaller events throughout the year that benefit a variety of community programs and charities that need our support. Please consider partnering with us in this effort.
